#### Printing Specifications

**Ink:** 4-color CMYK plus optional varnish

**Line Screen:** 175

**Paper:** All standard "house stocks" are #1 or #2 gloss or silk coated sheets - see pricing for various weights.

**Proof:** Adobe PDF or our high resolution calibrated ink jet proof is included in the price. Shipping the proof or the job is available at an additional cost.

**Schedule:** Normal turnaround is 3-5 business days from approval of proof.

#### Job Requirements

All prices listed here pertain to jobs that are "print ready" in applications that Advance Graphics Inc. supports which requires no operator intervention other than opening, linking files and printing. Files should be CMYK, built to correct size (including bleed) and must include all links and fonts (both screen and printer). For a full list of supported applications, contact your sales representative or us at the address below.
